A REPORT ON GUEST LECTURE

Topic of Guest Lecture: Encouraging Entrepreneurship Among Female Pharmacy Students

Speaker: Dr. Madhuri Grover

Date: 1st July 2025

Time: 11:30 – 1:00 PM

Venue: Room No. 011, HIMT College of Pharmacy

INTRODUCTION:

Introduction:

HIMT College of Pharmacy organized a highly insightful Guest Lecture on 1st July 2025 on the topic “**Encouraging Entrepreneurship Among Female Pharmacy Students**”. The session aimed to inspire and educate female pharmacy students about entrepreneurial opportunities, startup culture, and self-reliance in the pharmaceutical and healthcare sectors.

The session commenced with a warm welcome by **Dr. Vinod Gahlot, Professor and Dr. Mahima Chauhan, Assistant Professor** who introduced the theme of the guest lecture and highlighted its significance in promoting leadership and an entrepreneurial mindset among female students. The event was conducted under the able guidance of **Dr. Anuj Mittal, Director of HIMT College of Pharmacy**. The lecture was delivered by **Dr. Madhuri Grover (Associate Professor)**, a respected academician and motivational speaker known for her work in pharmacy education and women's empowerment.

Objective of the Lecture:

- To create awareness about the entrepreneurial landscape in the pharmaceutical industry.
- To motivate female students to pursue entrepreneurship as a career path.
- To provide insights into idea development, startup planning, and funding sources.
- To promote leadership, creativity, and independence among female pharmacy professionals.

Session Highlights:

During the session, Dr. Grover shared her expertise on a variety of key topics:

1. The Role of Pharmacists in Entrepreneurship:

- How pharmacists can become innovators and job creators.
- Emerging business opportunities in the healthcare and pharma sectors.

HIMT COLLEGE OF PHARMACY

2. Skills Required for Women Entrepreneurs:

- Communication, confidence, decision-making, leadership, and problem-solving.
- How to overcome societal challenges and build self-belief.

3. Government Schemes and Support:

- Introduction to government initiatives like **Startup India, Stand-Up India, and Mudra Yojana.**
- Schemes specially designed for **women entrepreneurs.**

4. Real-Life Success Stories:

- Case studies of women-led pharmaceutical startups.
- Inspirational journeys and lessons from successful female entrepreneurs.

INTERACTIVE SESSION:

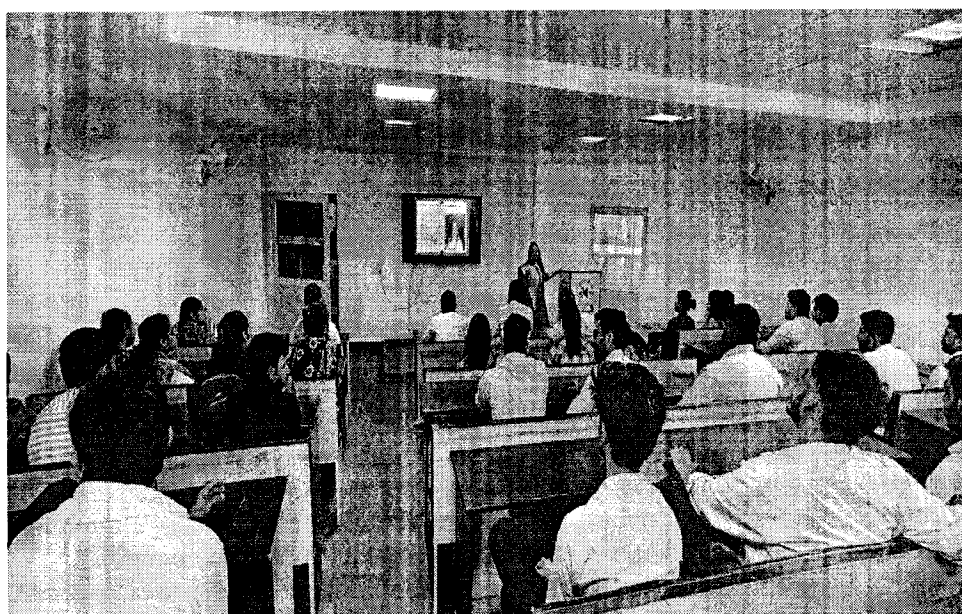

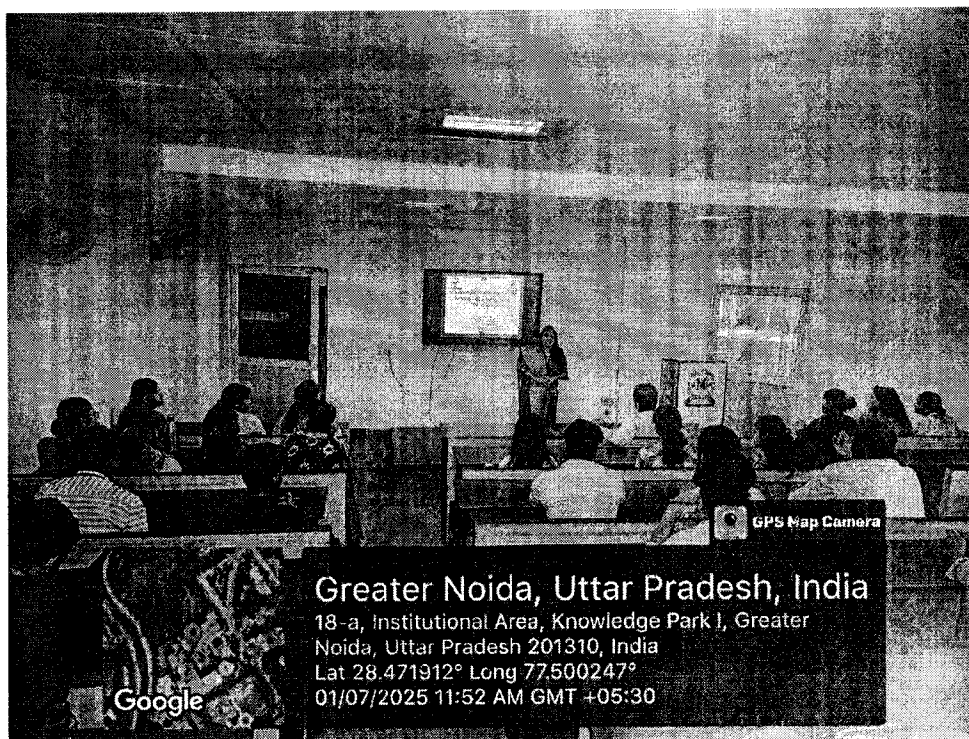

A dedicated Q&A session at the end of the guest lecture allowed students to interact with the speaker, clarify doubts, and gain personalized advice.

Conclusion:

The guest lecture concluded with a vote of thanks and a token of appreciation presented to **Dr. Madhuri Grover** for her valuable time and enlightening session. The event was a resounding success, leaving students motivated and more aware of their potential as future entrepreneurs. Students expressed keen interest in organizing more such sessions and exploring entrepreneurship as a promising career option. The lecture also emphasized the importance of **women's empowerment**, leadership, and innovation in shaping the future of pharmacy.
