Re: Regarding student visit

From Quality Assurance <qualityassurance-ipc@gov.in>

To HIMTCOP Principal <principal@hcp.ac.in>

Date 2025-07-07 11:18

Dear Sir/ Madam,

With the reference to trailing mail, this is to inform you that your students visit has been approved. All Students are divided into two groups.

Date and time of visit as mentioned below:

First Visit: Group A (35 students): **17th July, 2025, Time 02:30 PM**

Second Visit: Group B (35 students): **18th July, 2025, Time 02:30 PM**

Note: Please inform your students that bring labcoat (Apron) during visit.

Thanks and Regards,

QA Division
IPC, Ghaziabad

Subject: Students visit request to Indian Pharmacopeia Commission.

Respected Sir/Madam

I am Dr. Anuj Mittal Director of HIMT College of Pharmacy, Greater Noida. I am writing to request permission to visit the Indian Pharmacopeia Commission (IPC) as part of academics research, professional interest. The purpose of this visit is to gain a deeper understanding of the processes involved in the development of Pharmacopeial standards, quality assurance, and related regulatory activities.

I kindly request your assistance in arranging for approximately 90 students. We are available from 05/07/2025 to 20/07/2025. We are flexible in adjusting our schedule as per your convenience.

To ensure a smooth visit, we are willing to comply with any security or documentation requirements specified by IPC, taking into consideration of operational constraints. We genuinely appreciate your consideration of our request and eagerly await your response. Please feel free to reach out to us for any additional information or clarification you may require.

We sincerely hope to collaborate with IPC and provide our students with an enriching educational experience.

Thank you for your attention, and we look forward to your positive response.

Report on Educational Visit to Indian Pharmacopoeia Commission (IPC), Ghaziabad

Organized by: HIMT College of Pharmacy

Date of Visit: [17/07/25]

Organizers: Ms. Pinky Baghel and Mr. Abhishek (Faculty Members)

Under the Guidance of: Mr. Anuj Mittal, Principal, HIMT College of Pharmacy

The students of **HIMT College of Pharmacy** had the privilege to visit the **Indian Pharmacopoeia Commission (IPC), Ghaziabad**, for an educational tour aimed at providing practical exposure to the working of one of India's most significant pharmaceutical regulatory bodies. The visit was organized by **Ms. Pinky Baghel** and **Mr. Abhishek Sir**, under the able guidance of our respected Principal, **Mr. Anuj Mittal**.

During the visit, the B.Pharm 1st students were introduced to the **role and responsibilities of the Indian Pharmacopoeia**, which sets the standards for drugs manufactured and marketed in India. The IPC team provided a detailed overview of various departments and their operations. The students were given a guided tour of the **Microbiology Department**, where they learned how microbial testing and quality assurance are carried out to ensure drug safety and efficacy.

The visit also included a tour of IPC's advanced laboratories, which are equipped with modern analytical instruments such as **High-Performance Liquid Chromatography (HPLC)** and **Infrared Spectroscopy (IR)**. The experts at IPC explained the **drug and sample testing process**, providing students with valuable insights into analytical techniques and standard operating procedures followed for ensuring medicine quality.

The students found the visit to be an **enriching and eye-opening experience**, as it connected their classroom knowledge with real-world applications. They appreciated learning about the step-by-step testing procedures and regulatory standards maintained at IPC. Refreshments were also arranged during the visit, adding a warm touch to the day.

This visit proved to be a **highly beneficial and memorable experience** for the students, inspiring them to broaden their knowledge of pharmaceutical standards and testing processes. It not only enhanced their understanding of the pharmaceutical industry but also gave them a deeper appreciation of IPC's role in public health and drug quality assurance.
