Mr.Noor Hasan

Ms.Pragati

Ms.Shabana

Ms.Arati

Ms.Sonam

Ms.Pinky Baghel

Mr. Sabir

Ms.Renu

Ms.Hema

Dr.Seema

Dr.Neha

Ms.Priyanka

Mr. Abhishek

Ms.Sadhana

Mr.Pankaj

Supporting non-teaching staff:

Mr. Devender pal

❖ Pharma Models

Participants exhibited innovative pharmaceutical models, highlighting advancements in:

- ✓ Pharmacy career tree
- ✓ Drug Discovery
- ✓ Herbal Drug Industry

- ✓ Atm Machine For Medicines
- ✓ Power Of Spices
- ✓ Pharmacist Duties Etc

The models encouraged interactive discussions, sparking curiosity among attendees.

❖ Herbarium Sheets

The herbarium section showcased meticulously prepared sheets of medicinal plants with detailed documentation.

Each sheet provided common name, botanical names, families, part used and medicinal properties

The activity provided a platform for knowledge sharing and skill development. It fostered an appreciation for the role of medicinal plants and innovative technology in pharmaceutical sciences, inspiring students to explore interdisciplinary research opportunities.

Result

Acknowledging the contribution of all participants, certificates of participation were bestowed upon them, underscoring their valuable presence and dedication to the event.

Conclusion

The Pharmacy day 5 Activity was a resounding success, leaving participants with a deeper understanding of the pharmaceutical world and the potential of medicinal plants in healthcare innovation. The event underscored the importance of merging traditional wisdom with scientific advancements for the betterment of society.
